Courses on Cyber Security by Savitribai Phule Pune University

Pune 22 May 2024 : Savitribai Phule Pune University with Transcendental Technologies has launched comprehensive professional certification courses in Cyber Security, Cyber Forensics, and Cyber Crime Investigation. The programs will commence on June 13, 2024 in hybrid format both offline and online.

These courses will equip students, professionals & law enforcement personnel with the necessary skills & knowledge to address this growing concern and safeguard their information systems and tackle cybercrimes.

These courses include: 1. Cyber Security Specialist (CSS) - Duration - 2 months, Credits - 18

2. Mastering Information Security (MIS) - Duration 6 months, Credits - 20

3. Cyber Crime Investigator (CCI) - Duration 6 months. Credits – 28

The courses are also accredited and recognized by Direct Action International UK and Canadian Association for security and intelligence studies, Vancouver Canada

The syllabus covers Offensive & Defensive Security, SOC & SIEM, Cyber Intelligence & Investigation, Dark Web, Cyber Forensics & Incident Response, Cloud Security, Network Security & Cryptography, and other specialised expertise.

More than 40 national experts in the field of Cyber Security, Law Enforcement &National Security will guide the students with their expertise and experience.

"Cyber Security Courses offered by SPPU , Department of Technology are unique & first initiative of its kind which offers such an in-depth practical approach and knowledge taught by Industry Experts & Working professionals in the Field of Cyber Security".

Prof. Dr . Suresh Gosavi – Vice Chanceller - SPPU

Cyber Security courses are instrumental in promoting cybersecurity awareness and skill-building among students and working professionals. These courses by the Department of Technology will equip individuals with the practical knowledge needed to identify vulnerabilities by implementing robust security measures and mitigate cyber-attacks.

Dr. Parag Kalkar. Pro - Vice Chancellor, SPPU
